

MEMORANDUM FOR: Chief Acquisition Officer Council

Senior Procurement Executives

SUBJECT: New National Interest Action (NIA) For Hurricane Florence

Pursuant to the agreement between the General Services Administration (GSA) and the Department of Homeland Security (DHS) related to National Interest Actions (NIA), GSA added a new National Interest Action (NIA) to the NIA field in the Federal Procurement Data System (FPDS) as a means of tracking acquisition costs of the multiple Federal agencies involved in Hurricane Florence, an incident of great national interest. This new NIA Code will be used strictly for reporting purposes related to Hurricane Florence. FPDS system details for this NIA follow:

1. NIA Value Name: 'Hurricane Florence 2018'

- Web Portal/Graphical User Interface (GUI) service users may select the value 'Hurricane Florence 2018' in the National Interest Action drop-down field.
- Contract Writing Systems (CWS) shall use the code of 'H18F' when creating/updating documents associated with the Hurricane Florence 2018 through Business Services.

2. NIA Start Date: 09/13/2018

3. NIA End Date: 12/15/2018

If you have any FPDS system questions or problems, please contact our supporting Federal Service Desk (FSD) at <https://www.fsd.gov>. If you have questions regarding implementation of this NIA, please contact the FPDS Program Manager, Mary Searcy, in the GSA's Integrated Award Environment (IAE) Program Management Office at [mary.searcy@gsa.gov](mailto:mary.searcy@gsa.gov) or (703) 407-4608.
